Shipping Label: Your shipment is complete

1. Use the 'Print' feature from your browser to send this page to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

**Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.**

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on [fedex.com](http://fedex.com). FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.

Akron, OH 44316-0001

Re: R&H Oil/Tropicana Superfund Site, San Antonio, Bexar County, Texas

Dear Sir or Madam:

The Environmental Protection Agency (EPA) sent you a *de minimis* settlement offer for the R&H Oil/Tropicana Superfund Site, San Antonio, Bexar County, Texas (Site) pursuant to Section 122(g)(4) of the Comprehensive Environmental Response, Compensation and Liability Act, as amended (CERCLA), 42 U.S.C. § 9622(g)(4). To address issues and concerns about the *de minimis* settlement offer, EPA has decided to hold a confidential PRP settlement meeting for the evening of July 27, 2006 in San Antonio, TX. As of today, EPA has not yet received confirmation for the facility. A letter will be sent once confirmation has been received informing you of the location and time of the meeting. A neutral third party facilitator will be present at this meeting to help address concerns raised by parties. All parties who have received *de minimis* settlement offers, along with their attorneys, are invited to attend this optional meeting.

In the meeting, EPA will provide background information about the Site, discuss the risks posed by the Site and explain efforts to clean up the Site. The EPA will also explain the *de minimis* settlement process. EPA staff will be available to answer questions individuals may have. This meeting is intended to facilitate understanding of the Superfund process and the settlement offer. The offers will still be one-time, non-negotiable offers.

Additionally, because of the meeting, EPA will extend the deadline for accepting the *de minimis* settlement offer thirty (30) days after the meeting. The new response date for all parties will be August 27, 2006.

If you have any questions or comments, please feel free to contact either Kevin Shade, Enforcement Officer, at 214-665-2708 (or [shade.kevin@epa.gov](mailto:shade.kevin@epa.gov)) or I-Jung Chiang, Site Attorney, at 214-665-2160 (or [chiang.i-jung@epa.gov](mailto:chiang.i-jung@epa.gov)). The EPA looks forward to responding to any questions and concerns you may have.

Sincerely yours,

A handwritten signature in black ink, reading "John R. Hepola". The signature is written in a cursive style with a large, stylized "J" and "H".

John R. Hepola  
Chief  
Superfund TX/AR Branch
